In this document I will test the package **biblatex**.

Here is a simple citation Golub and Loan 1996. and here is another one see S. Geman and D. Geman 1984, page 12.

Here is a citation using **parencite**, (HORST and Pardalos 1995).

This one will appear in the **footnote**[1].

And finally we will test *textcite* ,HORST and Pardalos (1995)
